INSPIRATION FROM MS. D HERE'S A SPECIAL NOTE FROM DORINDA CLARK COLE

"God has truly been in the blessing business this year. I was fortunate enough to work with one of the greatest teams in the fashion industry... and of course that is Donna Vinci. In addition, I put out a new album with my sisters after years as a solo artist.

For those of you who have felt challenged or discouraged this year, I want to let you know that trouble won't last always and that in believing and trusting in our heavenly father, you will overcome. If you are going through something right now, simply challenge

yourself to see your situation as an opportunity to get closer to God. Trust that He will do something great in your life, then sit back patiently and watch His greatness manifest itself.

I have consistently put the POWER back in His hands and seen His glory. For the New Year, where ever you are in life, in good times and bad, I challenge you now to receive and faithfully see 2008 in a positive light. What you see, say and think, you will empower.

Happy holidays! I love you all!!!!"

A SPECIAL NOTE FROM ONE OF OUR CUSTOMERS

Thank you, Thank you, Thank you! "One night in late September 2007, the final stages of my brand new web site were concluded. Just about one day later I had an order, my very first order on my site. Thanks to you I was able to start my new business with a Bang!

You see, my business start up was managed with NO borrowed capital. Just MY capital. My business is, for now, e-commerce only. Because you did not require me to purchase inventory I had no need for, I was able to fill my very first customers order in a remarkably timely fashion! My first order.

Needless to say, I hold this customer dearly. I requested a testimonial from her. Good, bad or even the ugly. She had only wonderful praises. She loved the service, the turnaround and above all She LOVES her Donna Vinci (7697)!

Again, Thank you Donna Vinci. Not sure I could have done it without you!

Many Blessings!"

CUSTOMER APPRECIATION

"I love Donna Vinci, which in my book is the top of the line in women clothes! The prices are affordable and the quality is unique.

Certainly, when you want to be a show stopper go Donna Vinci; it works every time! I am also impressed with the new DV Jeans, the knits, and of course the old stand by me DVC, Lisa Renee, and Donna Vinci.

I see improvements every season. Donna Vinci is truly a fashion for any woman of sophistication and class. I am all of that and a bag of chips when I step out with DV.

I love you all and keep up the good work."
